Whether it's doing things like picking out the perfect pair of frames, sporting UV sunglasses, or finding comfortable contacts, there are a lot of ways we protect our eyes and eyesight. But the best way to take care of those peepers? Make the most of the vision care benefits included in your Blue Solutions® health plan.

With vision care from Davis Vision™, you have comprehensive coverage and low out-of-pocket costs. Here's an overview of what you get under the plan:

Stylish, low-cost frames

- ✓ Choose from no-cost and low-cost frames in the Davis Vision Exclusive Collection
- ✓ Receive a \$50 frame allowance at Visionworks
- ✓ Get fixed pricing on all lens styles and coatings
- ✓ Worry less with one-year breakage warranty for frames and lenses

OUT OF SIGHT!

You can use your frame allowance at any in-network provider, including online at [Glasses.com](https://www.glasses.com) and [befitting.com](https://www.befitting.com), and they provide:

- Seamless integration with benefits
- Live customer service
- Free shipping

Affordable contacts

You can choose contact lenses instead of eyeglasses. Use your contact lens benefit allowance at retailers such as [1800Contacts.com](https://www.1800contacts.com), which offers free mail-order services and discounted pricing.

Laser vision correction services

Members can save **40% to 50%** on the national average price of traditional LASIK from credentialed physicians. Exclusive pricing and financing options are also available.

Local network of eye care professionals

The national Davis Vision network includes 116,000 access points for independent eye care professionals, as well as large retail and online providers. In addition to regular vision exams, services like refraction, glaucoma screenings, and dilation are covered under your plan.
